“ *So sorry to hear about Teri's passing. We grew up down the street from the Robinson clan. We had such a great neighborhood. I too remember the her rolling her hair in cans. It would look beautiful when she let it down.*

“ I just thought of my best memory of Teri. I'd spend the night when we were in high school and she used big food cans to roll her hair. Always had fun over at her house. 😊

“ I remember at family reunions, as a child, I would sit next to Aunt Teri because she always was happy and nice. I admired her as a child.... I never seen her with a frown or mad about anything. I always wanted to spend the night with the girls, I believe mom let me once or twice, but Aunt Teri told me I could come and stay with them anytime I wanted too... so did Sweet Uncle Jackie. I'll miss you Aunt Teri.

“ I would need a larger space to share ALL of the wonderful memories of times spent with Teri. We shared over twenty years, at the Majestic Hotel, as co-workers, best friends and we adopted each other as sisters. She was a beautiful lady both inside & out and I will cherish her love and friendship. We always had each others back!! We felt each others pain & happiness and could always depend on each other whatever the circumstance. She was a wonderful wife, Mom & grandma & always put everyone above herself. There were many times when she was not feeling well but kept going for her family. She would say she could not be sick because she needed to take care of Jackie & her kids. I pray that each of you know what you meant to her...God blessed your family with one of the most precious souls this side of heaven...and He also blessed me with one precious lady to share so much with. We loved to share hugs (which she gave the most warm loving hugs), so share bunches of hugs together from me. My heart hurts for you and you will remain in my thoughts & prayers now & in the days ahead.
