

Terry C Lampo

November 30, 1951 - October 25, 2024

With heavy hearts, we announce the passing of Terry Carol Holder Lampo on October 25, 2024, at the age of 72. Terry was born on November 30, 1951 in Searcy, Arkansas to Earl and Betty Sue Holder.

Terry was married to the love of her life and beloved husband, Jerry Lampo of 51 years. Terry was known for her strong will, spunky, witty personality, and the endless love she had for her family and friends. She had a true passion and spent many hours researching family genealogy. One of her favorite things every year was her birthday dates with her son Todd. Terry was a devoted grandmother that always looked forward to her times at Mid America Museum and the park. She looked forward to seeing her granddaughters walking up the hill in the evenings to see what she was cooking for dinner. She was well known in the community for her high spirited and snarky comebacks while working at The Shack for almost 40 years.

Her death was preceded by her father and mother, Earl and Betty Sue Holder; her brother, David Holder; niece Rachel Owens.

Terry is survived by: husband Jerry Lampo, sons; Scott (Bobbie) Lampo of Michigan, Todd (Lori) Lampo of Fountain Lake, grandchildren Tylor Lampo, Ryan Lampo, Donovan Lampo, Madison Smith, Katie (Christian) Orrell, Kellie (Tristen) Davis; great grandchildren: Tripp Davis, Dex Orrell, and Kip Orrell; sisters Yvonne Holder Person, Tina Holder Dutton, and several nieces and nephews. Her departure leaves an unfillable void in their lives, yet they find comfort in the memories and love they shared.

“*Mrs. Terry was the soul of the shack! I got to see her one last time in Brookshire's and she said I'll bring you food, just call me. Growing up and working with her helped mold me to be an independent, authentic woman. To be yourself is exactly who she was. My condolences to the family and friends of this amazing lady! She's a legend of our smalltown.*

“ To Terry's precious family,
Terry was such a bright spot in our lives! From our very first visit to The Shack in 2006, we always had so much fun with Terry because of her quick, unexpected humor (we're calling it "unexpected" because you NEVER knew what she would come up with, at the snap of her fingers). She told us that she nicknamed herself "Attack Waitress" about the second or third time we met her. After that, when we visited The Shack, we'd bring her a copy of a cartoon or some funny little piece of artwork of a witch or a grumpy person or something of that nature, and she would tape it on a wall or side of a refrigerator or somewhere near her workstation. Each time we saw her, she'd say "whatcha got for me today?" We would all laugh and hug and just enjoy our time around her, every single time. We remember her visits to our store because she always had a joke for us to keep the laughter rolling! And we recall some of the very special Christmas gifts she would come up with to share with her co-workers, friends and family. Oh, how we already miss her. We pray that God will surround your family and friends at this difficult time, with His love and peace and grace.

Thank you. There were times when I worried what might come out of her mouth next.

“ I started working for Garland Co. Rd Dept. In 1992 with Jerry and Roger Franks.

I first met Terry when we would drive across the county for Roger to get one of those famous Shake burgers.

Later I would grade Jerry and Terry's driveway up the long hill.

When we moved she was upset about getting their driveway done.

She was always very nice and a joy to see at the Shake.

Miss working with Jerry.

Donna and I will be praying for the family.

“ My husband and I moved here 28 years ago. And from day 1 Terry was so sweet to us. She was so funny and you knew she loved you. One time when my husband was running the boys and girls club he found a Captain America costume to put on for the kids. Terry got a hold of the picture and blew it up and posted it all over the shack and community. It was great. She had a nick name for us “Precious” and always called us that and told us she loved us every time we saw her. She was the precious one. We will miss you!

“ I have so many memories with Terry. I worked with her. But the best thing i think i can tell you is if she loved you you knew it. And if you were doing something she didn't like you also knew it. When i walked in the shack she always would stop and hug me and give me a big ole smack on the lips and say you know how much i love you? I said yes i do. And i love her. I definitely will miss her hugs. Go visit with all our friends who have gone on before you sweet Terry and wait on us. It won't be long. Much love to the family and friends and continued prayers.

“ Terry was an Angel sent from above ❤️ I personally never met her but the love she gave my nephews was so deep!! When Todd called me to tell me his Mom just passed I wish I could just be there and hug him. The love he has for Terry could be heard in every word he spoke of her and then I seen the cake she made him for his Birthday The love of a Mother in her eyes was so beautiful as she was! Gone to Young comfort and prayers for the entire Lampo Family 🙏🙏🙏☐☐☐and always remember she will always be the angel watching over you 🙏🦋

“ You are truly my best/favorite cousin in law, friend, and chatting buddy. Jerry, I'm so sad for you! I have tried much, but cannot figure what God has planned for such heartbreak in our lives, I trust it is better and we meet again. I sure hope so. But not knowing, I will likely cry a bit, hope with cheer in my heart and pray strength for Jerry, sons and family. And friends. I feel you will always be missed greatly.
