“ I was able to tell sister Shortreed a few years ago that she had been my heroine. Because of her enthusiasm and love of Jesus I wanted and was fortunant to start a bus ministry like hers. I was one of the kids that she picked up for church, because of her, and the Garrisons, I accepted Jesus at 9 yrs old. She was truly beautiful inside and out. Everyone loved her

“ Thelma was my dear mother-in-law and my treasured friend. She was a spiritual mentor, a faithful follower of Jesus, a prayer warrior, and a person who lived love in every moment of her life. She had a wonderful sense of humor, infectious laughter, a beautiful alto voice, and a kind and loving heart. She was a light that shone brightly and brought “sunshine” to others. Her personal “light” was transforming in the lives of those who knew her and she brightened our often dark world. Working with children and young people gave her such great satisfaction. A highlight of her life was sharing in a bus ministry program that brought many young people and families into the church. We will never know just how many lives she impacted by her example, and with her love, but I am sure it was countless many. This godly woman blessed my life in so many ways and I am a better person because she was part of my life. I love you, Mom, and I carry you with me in my daily life and in my heart always. Your spirit lives on and continues to impact people’s lives for good. Love Always!
Your daughter (in-law), Linda 🙏❤️
