“ I will always cherish my friendship with Tim. He and I shared special times together, not only hunting but just being the best of friends. Because we were close I know what a good person he was. Tim had many, many friends and I was privileged to be one of those. Pam and I pray for comfort for his family and friends.

“ We were saddened to learn of Tim's passing. Tim was a remarkable man that was admired by many. I have known him for several years through his mother who is a very dear friend of mine. When he would stop by the office to see his mother, he would always make a point to say hello to me. Hold on to your wonderful memories you have of him in your hearts forever. May God's loving kindness comfort you and help you through this sad time and during the days to come. Rest in peace Tim.

“ I have such fond memories of Tim from when we were little, his sense of fun and humor is what I remember most. My thoughts and prayers are with you Aunt Karen, Lori, Missy and his whole family during this difficult time - and I do believe that Tim and Uncle George are catching up and talking about hunting right now in heaven.
