“ With deepest sympathy to you Nicole and your family. This is Janice Davis, I was Timonthy's Speech Therapist for many, many years when he began elementary school. In fact when he, Paige, and Phillip lived with your Mom I would go and get them and take them for Slushies and help your Mom with them when she asked. I spoke with him about 2wks ago and I left him with such Pride of the young man he had become. His death was such a shock that took my breath away. My faith let's me know that he was just a child on loan from our heavenly father. He was only here to teach us some lessons about life and make us better people because HE LIVED. I am praying for you and your family not only today but in the days, weeks, and months ahead as you and your family try to put your lives together without his constant SMILE and Happy outlook on the future. I Loved Timonthy and am so very grateful that he passed my way.

“ It's gonna be strange looking out my front door and not seeing you at work on a car or lawnmower. The whole neighborhood is going to miss you. Your sweet mom and family are in my thoughts.
