“ I have so many wonderful memories of Tim and Donna and their family. Trips to Mexico, vacations at their lake House and do many wonderful letters and cards as I traveled around the West working on ranches. I'll never forget their kindness and love. I'll treasure every memory. His family is in my prayers.

“ Timmy was a fun loving cousin of mine. I love his fun spirit and enjoyed seeing his “office” in Puerto Vallarta over the years. I so enjoyed both he and Donna’s company. And was honored to be their little flower girl in their wedding. To many wonderful memories 🥂

“ I am so sad for your loss Tim was a wonderful man and I am so thankful for he & Donna being a part of my youth. I have many fond memories of our families together and his infectious smile & laughter will always be one of my favorites plus the twinkle in his eye that he always got when his Ms Donna entered a room. Listen for the music as they dance the nights away in heaven!!
