“ I took her out from her birthday in Jan 2020. It was great time honoring her birthday seeing her smile and giggle . I love her laugh . There's many memories I have of my sister . But biggest memory I will have is how big her heart is . Can't wait till day I see her again.

“ Our Dad's worked at the same Cable plant. Our Mom's worked in the same nursing home. I remember carrying batteries to Ken's shop and it would take both me and Ricky Hill, then Ken would lift one with each hand and shame us young boys. Then we would all go have a good time running around the Malvern Strip with Cindy Lykins and of course Lisa right there for every minute. Good times. I'll miss you. I hope god finds a nice place in heaven for you with your Mom and Dad.
