“ Tina i just have to share some great memories with you. Tina and I were childhood friends before she moved away to attend Missouri school for deaf. I enjoyed many sleep overs at her house we loved to swim and jump off the dock. I loved to clean up her messes at home because of my OCD with cleaning. I think it got on her last nerve and she's probably laughing at that one right now. We volunteered at a nursing home on weekends and like to walk to her mothers work place and eat. She was my best friend in elementary. I'm going to miss her but have great memories and will never forget. My thoughts and prayers to Joan and Edie.
