“ Tom truly was the kindest man I have ever met! He knew how to make you laugh even in the midst of illness. He truly cared about the people he served in the pharmacy. There will never be another gentle soul like him in that role. I am so grateful that you, Suzi had the opportunity to have fun and be loved by him. You both were just precious together and it gave me such joy. I know the loss is being felt and will be felt for many years to come. Just know that you are being lifted up in prayer. I am truly so sorry for your loss Suzi and family. I love you. Michelle Cleveland

“ Tom 1 always had a smile on his face when you spoke with him which was usually followed up by a great laugh. Easy going. Always helpful both professionally & on a personal level as well. Type of man that gave everyone the benefit of the doubt & saw the good in people.

I am proud to say I knew him & blessed for the times spent together through all these years.

*Godspeed Tom Hopkins !
Your work on earth is done.
Go rest high on that mountain !*

Tom was a genuinely nice, decent person who was loved and liked by so many. He'll also be remembered and missed by so many. Salt of the earth man.

Tom & I were classmates at Mena High School. My maiden name was Hill & since teachers like to seat us alphabetically, I was near him in many classes. He was gentleman back then too. I know he will be missed. My sympathy to his family.
