Deborah, I sat down to order his flowers today and found out about Tony's passing. I am so, so sorry for the loss, what a loss it is. Tony was a dear friend of whom you could not help but love. Please extend my condolences. I moved away years ago, still yet every Sunday I think of him, of you guys and the time spent together. It's hard to call it work when you enjoy the company and what you do. The friendship is one I will always cherish. I wish the best for all of you, I know we will see him again one day. Sending love your guys way.
