“ Tony was very knowledgeable on many levels. He could do anything that he tried. I told him that I was going to adopt him and he laughed and said “You just want free labor “. I felt that he was the son I never had. He didn’t go to church but he was a believer and very intelligent on Biblical principles. He has touched many lives over the short time he lived and will be remembered as being thorough and not consider a job complete until he was happy with that job.

“ Tony was like the Son we never had. He also single-handedly repaired, rebuilt and beautified our home here on Lake Catherine. There was nothing he couldn’t do. He was such an interesting person. One of my favorite sayings of his was, “I read an article...” He was so well read and informed. His was a servant heart and will be forever remembered and cherished.
