“ Travis was a good guy when you needed something fixed he fixed it. He was always helping someone if he wasn't he was sleeping. We were together 6 years had a daughter Martha Spencer. My son died in 2019 and I couldn't stand the thought of seeing dirt on him so Trevor's buddy's and Travis went and made it look really nice. They mossed it mulched it then we planted plants I will always know that no matter what he was doing with his life he still would always put everyone before his self. He will be missed so much but I know he is telling everyone up there how much we love and miss them. We love you Travis Paul Spencer
