SM

“ I met this young man and his sister when they were babies. I was best friends with his mom Tammy Steadman. I don't know what happened to either one of them. I know Tammy passed away and now her son but don't know why. I visit Tammy's grave every time I come to Hot Springs. It breaks my heart to see another loss to this family. I know he is with his mom in heaven. I think of Tammy a lot and cherish our friendship. She had a smile to light up a room and THAT laugh. There is no other. God bless you.
