“ Aunt Verna will remain in our hearts and in our memories as a truly kind and sweet person whose faith and love would always shine through like a beacon of light. Living in Colorado, I have not had the privilege of spending time with her in many years, but her smile, her warmth, and her goodness will be forever remembered. Our family sends its caring and condolences. Mother is unable to attend the service, but she and the rest of the family join with me in sending our very best, our prayers, and our concern and love to all of Aunt Verna's loved ones.
