“ Bro. Vernon was a dear close friend to my family for many years. I will never forget the many hours of conversation and fellowship we shared over the years. I also will never forget the Godly example he set. His love and dedication to his country was evident in the many hours he volunteered to veterans causes. I regret that I will be unable to travel to the services due to prior commitments, but I'll have the family in my heart and prayers.

“ To the entire Ashley family, my thoughts and prayers are with you all. I remember meeting Mr. Ashley over 30 years ago. The boat races, the car races, and many other memories. Mostly, sitting on the front porch talking with him. Rest in peace Mr. Ashley.

“ I am so sorry to hear of Vernon's passing. I am going to Ft Roots today with VFW Post 10483 to serve ice cream and had looked forward to seeing him until I read the paper this morning. I visited Vernon at the VA Hospital in Ft Roots many times while serving him ice cream over the last several months. He was a kind man, a fellow VFW member, a proud Navy man, and a joy to talk to. He loved the VFW and saluted me every time I came into the room. He always greeted me with a smile and he was as happy to see me as was I to see him. You will be greatly missed Shipmate!
