“ Pat, I am sorry to hear of your mom's passing, but knowing God has welcomed one of his true angels home, should be a great comfort. I always loved her. She was a true lady and great friend to my mom. I know they are catching up on all the "gossip" from the old days. Will keep you in my prayers. Cindi White Crow

“ Pat & Nona, Pixie and Dad notified me of the passing of your Mom this evening and I was so sorry to hear the news. For some reason she was on my mind last nite when I went to bed. I didn't really think much about it till I heard of her passing, but I was remembering the times we spent together as kids at ya'lls house on the lake. Maybe her spirit was touching me in some way last nite to let me know she was at peace and in a happy place now. Just know you are in my thoughts and prayers and I know what you are going through. Love you both .Frankie

“ We were so sorry to hear of your Mother's passing. We will always remember your Mother because she allowed us access into the church (Old Union Baptist Church) the weekend we were wed (February 16, 2020) in order to decorate for the ceremony. She was so sweet, kind, and generous to us. We later became members of Old Union Baptist ourselves, and grew to love and adore her along with everyone else at the church. Even after she moved away from Benton, she was always talked about with the fondest of words, memories, and prayers. She will be greatly missed, even though we all know she's in a much better place. Our prayers are with all of you through this difficult time of loss. God Bless You, Charlie & Jan Carty
