“ I was a classmate of Tori at Lakeside and worked with her in Yearbook Club. Tori was a incredibly compassionate person and had a bigger heart than most of us. She wanted a better world and all of us to be a little happier in it. Thank you for being a friend, Tori.

“ Janet, Bob, and Stephen. My heart is so sad for you. I did not know Victoria personally but she was a beautiful young lady. I have had you in my prayers. It doesn't seem right for a parent to have to bury a child. I know though that is God's will. This has to be the worst pain that there can be. I pray God's blessings on you and his help to start to somehow start to heal your hearts. Brenda Burnett.

“ *Janet, Bob & Steven, hearts are broken all over Hot Springs & beyond! But I want to share my first memory of Victoria and it's from the church nursery. I remember standing in the hall & saying "Who IS that child that's screaming? They sure have strong lungs!" And, of course, it was Tori, just exercising those lungs for her future as a beautiful singer! And now she's singing with the angels for the Ultimate Audience of One! Oh how our hearts break over that reality! But at the same time, what a comfort to know she's in the presence of our King! And with the world in the turmoil it's in right now, can we be very far away from the trumpet sounding and us all rising to meet Him in the air?! I pray love & hope & peace & comfort & encouragement & empowerment over each of you for the days & weeks & months ahead! Hold your memories close! With love from Sue & Tom*

“ This is tragic. As a mom I just can't imagine my child going to heaven at such a young age. I'm glad to see the obituary say Tori was a believer and went to be with the Lord. As Christians we have the hope of heaven and the assurance of salvation to someday see our Christian loved ones again in heaven. Prayers that that will give Janet and your family a little comfort during this horrific time.

“ Bob and Janet: Stuart told me today of the death of your darling Tori. Although I have not seen you in so many years, you and your family are always on my list of people dear to my heart. I know your daughter was every bit as kind and loving as the rest of the family, and I can only imagine the heartache you are experiencing. When there are no words that can adequately express my compassion and sympathy for you, I can only pray that our Lord's loving care and presence will surround you as you go through this terrible time. When I The store manager Payless her mom would bring her to shop for shoes and I used to measure her feet and help her pick up shoes. I got to watch her grow up and be a beautiful young lady.
