“ I've known Vickie for so many years, our husbands were on the
battleship New Jersey, she was in the delivery room with me for the
birth of my second daughter Tracy, but it has to be noted that they
did eat a McRib from MaDonalds before delivery, and made sure I
knew that! We went to many Navy functions, because we were a
Navy family!!
I was saddened to hear of Bobby Rays passing, and I'm heart
broken to hear of her passing!!
She was a one of a kind special lady, that would do anything for
you!! Her laugh was contagious, her smile bright!!
I'll miss you my friend, until we met again!!❤️

“ Vickie was a special lady. I met her they the FB swap shops years ago. We shared lots of laughs and investigations on the swap shops, always liked when she would come to my door to pickup and visit. Sophie was most always with her. 💜💜💜 Rest In Peace. Comfort to family 🙏.

“ Vickie was one of my best friends. Her laugh and her voice were highlights of her personality (along with her incredibly colorful vocabulary). Losing this wonderful friend and sister from my life takes my breath; I'm speechless and dumbfounded as to how to let her go with the dignity she deserves.

My life has been blessed to have been graced by my marvelous friend, who brought the promise of honesty to any relationship. She will be missed on so many levels I cannot even verbalize. I love you Vickie my dear ole gal. Long as I live you'll be alive.
