“ Walter was my step father through my teen years and into adulthood. Despite not always getting along (to be expected) he was always kind and fair, and tried to find the best in me. We both loved the same 'difficult to please' woman and in that we found common ground and mutual respect. He was the hardest working man I have ever met in my life and never met a challenge he was willing to back down from. He did his best to show me guidance and understanding and was forgiving... for that I will always be grateful. I hope you have found peace and comfort, Walter... and to his family, thanks for sharing your 'Dad' with me. With deepest condolences, Kevin Manzer, Statesville, NC - formerly of Hot Springs, AR

“ I was Jim Ida's daughter in law and knew Walt for many years. He was a good friend and fine southern gentleman. Gentle, kind, patient and wise. He loved God and country and his beloved family. God Bless you all in your time of grief.

“ I always liked Walter and he always served the Lord . We were ushers together at church . His military career speaks for itself and I am sure that God now has a special place for him. May his family be comforted by the Lord in the days ahead and by our appreciation of his lifes work and his friendship.
