“ Sorry to hear of your loss. I had met Walter as a child and have had a few conversations with him over the past few years. My name is Kathy Rowland, niece of the late Freda Stevens. My Dad is her brother, Norman Johns. My number is 562-458-9209 or you can get ahold of me at same address as Norman's.

“ Mr. Stevens was my neighbor here at The Pines. It was an heartbreaking shock for all of us to see him go. We weren't that well acquainted but every day I would line up right behind him when we were given our medicine, Mr. Stevens was always upbeat, never once complained about any infirmity, just joked and laughed through the pain... Mr. Stevens was an exceptional man. Oh, and the teddy bear? For all those scads of lovely grandchildren and great-grandchildren! (and my son named Teddy)

“ I love you Grandpa, and miss you so much. You taught me almost everything you knew and I am glad that I was able to spend that time with you when I was younger from working on the ranches, to fixing vehicles, to building things. Its almost unreal that I won't be getting a call on Sunday. I know that even though we are all hurting down here because we can no longer be with you, you are in a better place where there is no more pain and you are surrounded by others that love you just as much as we do. Give Grandma a great big hug for me and Dad. I can still see you and Juble riding around in that old brown Ford.

“ *Walter was a good friend from the Aqua Arthritis class at Quapaw Community Center. He always had a smile, a good word and often a joke to share with us. Walter was good to everyone. When my husband and I were going on a vacation to California and to Yosemite, Walter shared with me his photos of camping in the park with his family back in the 50s and 60s. He was proud of his family and his experiences back then. We will all miss Walter so much. He was a vital part of the community center. His passing leaves a gap that cannot be filled. “ *I only knew Walter for a few months while he was the roommate of my father-in-law at The Pines. During that time I saw what a kind and caring man Walter was. He made it his mission to watch out for Ralph and call us if he thought we needed to know something. I always enjoyed visiting with him. I know he has joined Ralph and they are talking with the angels. Thank you for allowing us to share your father.*
