“ *Blackwell Family,*

Bill was a gem of a man. I really enjoyed getting to know him when he worked in circulation at the Sentinel-Record. I remember him saying he had to get home to see what was for lunch. He loved it when we saved him some goodies here to eat! I wish you each God's Peace during this most difficult time. I will hold each of you close in thought and prayer.

God's love,

Bill was my boss for a few years at the Majestic, a lot of good memories. I was able to get some extra tickets he had to get to go to my first Razorback football game from him. Haven't seen him in quite a few years. I know he was proud of his family. Nell Garibay
