“ I still remember back when we were in our teens, I would ride my bike from Meyers Creek to his home. In summer we would go back in the field and fish in the pond. We would sometimes catch a bass or few and sometimes catch nothing. Such were the days of growing up in the country. Some of the time we would take off our shoes and wade out into the pond so we could cast our lure or bait to the middle. You would have to keep an eye on Bill because if you weren't paying attention he would sneak up behind you and kick your foot with his big toe and yell "SNAKE". I can still hear him laugh.
To the family, I am truly sorry for your loss and pray the LORD will comfort you all in this time of grief.
