“ Thank you for the good memories, my dear first cousin. When a loved one becomes a memory, our memories of them become treasures. She was always such a sweet person to me all my life. Although she was about four years older than me, she would always play with me when we were young kids. In more recent years of our lives, she would occasionally call me just to talk a little while sometimes, which I thought was such a sweet loving gesture. I'll miss her. She was one of my treasures! My heart and prayers go out to her family. We'll all miss her very much. May God be with all of us as we share our grief and find comfort in our good memories. Love you, dear Wilma,
