“ I worked with Woody at Gulpha Constructors in the mid 70's. You could not of asked for a better supervisor that Woody. Even though we moved back to Iowa, I can always look back at my employment & know that I had a friend for life. Sincere sympathy to his wife and children. God Bless you all during this time.

“ When I think of Woody I always see a huge smile and remember his laughter and his hugs, He and Helen were always very sweet and loving every time we saw them and would light up the room with their presence. They were both loved dearly by Granny and Poopsie and our family too. He will be dearly missed. All of our love to the family.
