“ *Love you little Zay. Since we had to give you up I'm glad it was to Jesus.*

*We're all hurting here right now but we know time will heal the pain. Your mommy and daddy are doing the best they can. They know they have to keep going on in this life until they see you again. Jade and Avery miss you so much. They colored you a picture tonight so it can be put in the mailbox to heaven. Paw paw and Nana are hanging there. It's just not the same without you around. Even though you weren't walking or talking it's still silent without you there. Many lives have changed forever. But I do know we will never forget that precious face of yours.*

*Thank you little soldier for your heart you gave to the other baby. You have given more in your 2 little months on this earth than most people over 50 years old have given.*

*Thank you sweetie for letting me meet you. I love you. Save our spot in Heaven baby. We all plan on seeing you again.*

*Have fun in Heaven*

*XOXOXO Aunty Summer*
